PARENT WORKSHOP

**FEBRUARY 27, 2021
11AM - 12PM**

Saturday's Parent Workshop will consist of creating an email account and ensuring that your information on Genesis is accurate. It is important that all parents have access to their child's academics through Genesis and Schoology. For those that do not have an email account please join us on Saturday at 11:00am in order to begin the process of having you connected to the school's platforms.
